

Neck-Lace w/ loop

You will need:

Dark Horse Beautiful yarn
(I use two different colors)
Size N crochet needle
(lighter)

Instructions:

With a 5" (or more) tail, start a chain stitch.
Chain 125 (or 150 if you want a longer Neck-Lace) and tie off, trim close to knot.
Repeat 5 more times (3 of each color, if using 2 different colors)
Bring the 6 - 5" tails together, make a small loop with the tails (big enough for 2 fingers to go through) & tie where the chain begins.
Make sure the knot is tight, trim the extra strands of the tails close to the knot,
then carefully burn the ends with a lighter to prevent fraying.
At the other end of the Neck-Lace, tie a small knot at the end of each strand,
but leave all 6 ends separate.

To Wear:

Slide chained & knotted ends through loop to desired length.
